UNSTARRED QUESTION NO:1096
ANSWERED ON:04.12.2015
Sterilisation Camp
Rai Shri Prem Das

**Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:**

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of female deaths occurred during or after the sterilisation or tubectomy operation which were done under the family planning scheme/camps during each of the last three years and the current year, State/UT-wise;

(b) the reasons for such deaths and the steps taken by the Government to prevent the same;

(c) whether there is any concrete policy of Government for maintaining hygiene and health of women during and after the operation, if so, the details thereof; and

(d) whether such policy has been effective in controlling the number of deaths, if so, the details thereof?

## Answer

THE MINISTER OF HEALTH AND FAMILY WELFARE
(SHRI JAGAT PRAKASH NADDA)
(a): The States/UT-wise details are given in Annexure.

(b) & (c): Death attributable to sterilization is a rare event. The deaths are mostly due to medical causes and also due to operative procedure other than sterilization for e.g.: Deaths due to Cesarean Section with concurrent sterilization.

Steps taken by GOI includes:

â€¢ Updation of standards and quality assurance for sterilization services which includes guidelines for infection prevention practices.
â€¢ Dissemination of the standards to all States/UTs of India through orientation of program managers as well as service providers
â€¢ Establishment of State and District Quality Assurance committees for monitoring quality and performing death audits for each case.
â€¢ Periodic meeting of state health secretaries of all States/UTs on action taken report for quality Family Planning Services.
â€¢ Regular monitoring visits and HMIS tracking.

(d): Yes. The death rates are now showing the declining trend. The declining trend is shown in the Annexure.
Annexure
State Wise Sterilization Deaths

| Sno. | State | 2012-13 | 2013-14 | 2014-15 | 2015-16 |
